St. Jude patient Johan

In 1999, Tri Delta formed a national philanthropic partnership with St. Jude Children's Research Hospital. This partnership has allowed members and chapters to support St. Jude's mission of finding cures and saving children. Tri Delta has raised more than \$93 million for the hospital. In honor of our continued commitment, St. Jude named its on-campus, short-term housing facility Tri Delta Place. At St. Jude, families never receive a bill for anything. And treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80% since the hospital opened in 1962. *Last year Zumbathon raised over \$1000; please help us reach our goal of \$1500 this year to support the life saving work at St. Jude.*
